50 Species Challenge
Children's Journal Page

Common Name(s) of Species:	
Where did you see it?	
What does it eat or need for nourishment, shelter, warmth, camouflage, nest material, etc? Write your observations and/or anything you've learned from books or people. Answer in the next space:	
What does it look like? See how much you can remember – answer in the next space:	
What else do you want to say about it? (Answer in the next space):	

In the space below you can make a drawing or paste a picture if you want to. If it's an animal you could draw its footprint. Or you could tape or glue animal fur, bird feathers, leaves or flowers ...
